LEARNING ENVIRONMENT

In spring term 2019, The University College of Teacher Education Styria hosts a one-time international study program - Empowering Education in a European Context - and invites both, international and Austrian students to participate in this Erasmus+ program. The course has been developed with partner universities from Belgium, Spain and Denmark. It lasts one semester and students will be taught by international lecturers from all four partner universities. It's a 30 EC program and includes three weeks of teaching practice. The course language is English.

AIMS

The course aims at improving international teacher competences, working and studying in an international context and intercultural exchange

PARTICIPATING UNIVERSITIES:

Odisee University College, Brussels, Belgium
University College UCC, Copenhagen, Denmark
Universitat Autònoma de Barcelona, Barcelona, Spain
Pädagogische Hochschule Steiermark, Graz, Austria

COURSE SCHEDULE

The course consists of five different modules: each of the four partner universities teaches one module plus one module of school internship.

Module University College UCC, Copenhagen, Denmark:

Professional teamwork - challenges and possibilities of collaboration in groups / 6 EC
